THE PARTY

On the evening of Sat. 27, the Junior Club entertained at the schoolhouse, about twenty of their girl friends from the grades.

When the guests arrived they were directed to the cellar door by a detour sign. They were pushed down boards laid on the cellar steps into a lot of stickers. After this they were led through other scares by ghosts. All this time several ghosts screamed, rattled chains, and made lots of other noises, which, when combined, made a noise that would deafen the Great Stone Face. They were taken to a fortune teller who handed them a walnut wherein lay the fortune. After all this the guests assembled in the hall which was very nicely decorated with a monster pumpkin, and streamers. In the dim lighted room they told of their biggest scare and ghost stories were told.

After this, games were played and contests took place, a guessing contest and an owl hunt. Prizes were awarded.

The party ended at 11 o'clock, with a lunch of weiner sandwiches, cake and sherbet.

The rooms throughout were decorated nicely with orange and black streamers, pumpkins and corn shocks.

Mrs. Emil Olson kindly chaperoned the party.
