
BINFORD SCHOOL NOTES

Rosalie Amlie, Reporter

Binford Alumni attending the state university are Ivar Knapp, Irene Pritz and Susie Shaw. That these young people will very creditably represent our high school cannot be doubted.

Members of the Binford Alumni teaching school in Griggs county are Christina Helland, Pearl Peterson, Nellie Shaw and Lyria Halling.

The new laboratory has been completed and equipped for carrying on the work in science.

Mr. Larson, president of the school board, inspected the new laboratory Monday afternoon.

Mrs. West entertained the high school pupils with a very interesting talk, Monday morning.

Mrs. Arthur Anderson visited our school Friday afternoon.
