John Hagberg treasurer.

The following program committee was appointed:

Blanche Greenland, chairman.

Manfred Knapp,

Harold Bakke,

Sidney Bakke.

The first program of the Literary society will be given November 4.

The Boy Scouts will entertain the Camp Fire girls at a Hallowe'en party at the school house Saturday evening.

Mr. Bixby and Howard Lewis attended the big football game between South Dakota university and North Dakota university at Grand Forks last Saturday. From all reports the two young men had a good (?) time. We hope they will not form the habit of spending the week end in Grand Forks—too great a loss to Binford.
