Mrs. F. G. Lewis visited the High School last Friday.

The Camp Fire Girls have been selling the Anti-tuberculosis Christmas Seals. They still have several dollars worth to dispose of. Please get your Christmas seals from the Camp Fire Girls.

All donations for the box which the Camp Fire Girls are preparing for the Orphan's Home should reach the school building by Thursday evening. Cookies, candy, fruit, etc., are acceptable. The Camp Fire Girls will call for the gifts if requested to do so.

The Boy Scouts pulled off a "stag" party at the school house last Friday night. A fine program was rendered

measures were played and a general all around good time was had. A few of the features were a shimmy dance by Johnny Carroll, jigging by Bob Carroll, loop the loop by Red Sharpe, and singing by the gang. At 11 o'clock lunch was served by Don-

d Truscott, Red Sharpe, and Chris Behm. Alvin Shaw, following in the footsteps of his dad, wrestled with the coffee pot with excellent results, we'll say. We will also tell the world that these "stag" parties are the dope and we are planning many more.
