

Albert Sandberg, of Davonport.

The Binford school will open on Monday morning, September 18, with three new teachers in the faculty. Miss Marie Moe of Mayville, a graduate of the Mayville normal school, has been engaged to act as principal. Miss Ingeborg Fjelstad, of Edmore, will be in charge of the grammar department. Miss Ingrid Formoe, of Elbow Lake, Minnesota, who taught the intermediate grades last year, has been re-elected for that position again this year. Miss Lillian Monson, of Cooperstown, will teach the primary pupils. The members of this year's faculty are experienced teachers, and there seems to be no question but that the coming term will be a successful one.
