Rev. H. O. Bach delivered his farewell sermon in the Trinity Lutheran church last Sunday morning. Following the services, the ladies of the church served an elaborate dinner in the basement complimentary to the pastor and his family. Members and their friends partook of the treat, numbering about 200 guests. As a parting gift, and as a token of the high esteem in which Rev. Bach and his good wife are held in the community, Mr. Larson, in behalf of those gathered, presented them with a beautiful set of silverware. Rev. Bach has accepted a call in Wisconsin and will soon leave to take up his work there.
