

# Splendid Program Has Been Arranged For Mother's Day Sunday

Next Sunday, May the 11th is Mother's Day. It is a day that more and more is becoming a hallowed day—a day fraught with kindly remembrances for Mothers living and with precious memories and tributes for Mothers gone before. Mother is the magic name that is a symbol for Home, a name that knows no sacrifices too great for her children, an incarnation of unselfishness, a source of boundless love, and one whose prayers surely reach to the very throne of God. Young man or young woman, and all whose lips can name a Mother, remember her by word, telegram, letter or a flower. Bring gladness to her heart.
