

The members of the Luther League gave a very creditable and interesting Mother's Day program in the Lutheran church last Sunday evening. L. P. Larson delivered the address of the evening in his usual splendid manner, and the youngsters entertained with songs and recitations. Rev. Fjorseth, a visiting clergyman from Wabcock, also made a few remarks. The church was filled to overflowing, many people being compelled to remain standing. Lunch was served in the basement following the program.
