

We are publishing elsewhere in these columns a notice that dogs for which no tax has been paid by the 15th day of June will be shot. Since dogs are man's most universal pet animal we must admit that it's all right to have a dog, provided it is a real dog, one that shows good taste (on the part of the owner) one that has sense enough to keep its mouth shut and mind its own business.

However, when a dog becomes a public nuisance by constant barking, chasing teams, or becomes ugly and vicious, it should not be tolerated, tax or no tax.
