Frank Bixby, teacher of the grammar department of the Binford school, departed Monday for his home at New Richmond, Wisconsin. During his two terms of teaching in Binford, Frank has made friends with everyone he met, and it is with regret that we learn of his decision not to return. His work as a member of the teaching faculty has been highly satisfactory, but more especially was his work as head of the Boy Scout movement a very commendable one. The boys simply loved Frank as their pal and Scoutmaster and his influence among them was productive of much good. He was the recipient of a number of gifts from the Boy Scouts and his pupils.
