H. A. Brown, of Cooperstown, has been appointed Chief Game Warden for the south half of the state. He has been to Bismarck this week to file his oath of office, and also to Glen Ullen to secure the office furniture of his predecessor. In conversation with The Times, Mr. Brown stated that he will resign his position as manager of the Griggs County Telephone company, but will retain his interests in the company and devote a part of his time, at least, to the affairs of the concern. Mr. Brown's friends are pleased to offer congratulations for this recognition and are certain he will make an excellent member of the North Dakota game board.
