

Aim.

The announcement of Mrs. Harold Brown, nee Clara Francis, for county treasurer, appears in this issue of The Times. Mrs. Brown is an experienced bookkeeper, and has worked as deputy in some of the offices, so training and experience have been combined in qualifying her for the office. As far as we know, Mrs. Brown is the first lady candidate to announce herself for county office in Griggs county, outside that of county superintendent, and as a test of the ability of lady candidates as vote getters, her campaign will be watched with more than the usual interest. The present county treasurer is Martin Nelson, and Oscar Idsvoog will also be a candidate for the office.
