

The King Bruns Auto Co. at Cooperstown were fire victims last Sunday evening. The fire, of unknown origin, but suspected to have been caused by defective wiring, started in the front part of the building in the evening but was discovered in time to get it under control before it had a chance to spread over the entire building, and as a consequence the damage is estimated to be about a third on both the building and on the stock. Three automobiles were burned.

Mrs. August ...
