

while in town.

Oscar Greenland's Buick car was stolen at Grand Forks last Saturday evening, while Mr. Greenland, in company with others, was attending a show at the Grand theatre. The car was recovered Monday. Miss Florence Greenland, who is attending the university, recognized the car as it was driven by a house where she was visiting on Sunday. She and others gave pursuit but were unsuccessful in overtaking the thief. The police were notified and the car recovered the following day, minus Mr. Greenland's sheep-lined overcoat and two robes.
