

PLAY DAY TO BE HELD

ON SATURDAY, MAY 13

Spring has been so long in coming that one is hardly ready to appreciate that the annual Griggs County Play Day is a feature not far ahead. In fact it is a feature that is demanding the attention of those who have the arrangements in hand right now. Superintendent of Schools Mrs. Johnson announces Play Day for 1922 to be held on May 13th.

The date has been set earlier than usual for the reason that many schools have been closed or in the midst of their final work just at Play Day time. Setting the day a little earlier will permit all schools an opportunity to take a part in the program and day of sports as units, thus making it a bigger and better day all around.

Time and patience will not be spared this year to make Play Day more attractive than the delightful events of their kind in past years. The May Pole dances, the folk plays, the athletic events, the free movie and the parade will all have place on the 1922 Play Day program. And in addition to these features, others, some of them new, will be added.

More complete particulars of the arrangements and program for Play Day will be announced through these columns later.
