

# Contract Is Let For North Road

The county commissioners at their meeting held Tuesday, awarded the contract for building the state road from a point two miles north of Binford, to the Nelson county line, to Stanley Bros.

Work on this piece of road will be commenced as soon as the present project to the city limits, on the east, is completed.

That the project north of town was awarded is highly gratifying. This is the main road to Red Willow lake and during the summer months probably no road in the entire country carries a heavier traffic.

Stanley Bros. will push this project with all possible haste, and, barring accidents and inclement weather, a good part of the road as far north as the road into the lake grounds will be finished except the gravelling.
