

Hannaford Enterprise: As is usual on Griggs County Play Day, the weather and roads were again unfavorable for a large attendance at this event this year. Some of the schools that had expected to take an active part in the program were unable to attend on this account, yet the attendance was fairly good and most of the events were carried out as advertised. Hannaford was well represented, both as to attendance and as participants in the program. The two floats entered by the Hannaford school in the parade won 1st and 2nd prizes, the Binford-Hannaford ball game was decisively won by Hannaford, and our boys individually carried off their share of the prizes in the athletic events. Great credit is due the Hannaford teachers for their work in making our school so prominent in the events of Play Day, and especially in the work of designing and constructing the floats.
