

Announcing

the opening of our

Grocery Department

We wish to announce to the public that beginning next Monday, Jan. 15, we will open a grocery department in connection with our line of hardware. Fixtures are now being arranged for this purpose and will be completed except for a few minor details.

We will carry the Griggs-Cooper line of groceries—known as the "Home Brand"—and there is none better.

Mr. George Olstad has been engaged as manager of this department. He has had several years of experience in the handling of groceries, and we are satisfied that he will give the trade very efficient and accommodating service.

Respectfully soliciting a portion of your patronage in our new department,

We remain,

HAMMER-THINGELSTAD CO.
