

11A. where they will operate a farm.

The editor is in receipt of a letter from H. B. Hanson, dated at Pasadena, California, wherein he writes that he and his family like that country very much. Helmer is employed in a garage. J. J. Herlick, who also went out last fall, is engaged in carpenter work at Long Beach. Mr. Hanson stated that everything is in bloom but that they are sorely in need of rain.
