

**Aneta Panorama:** The other day a letter came to our desk informing us that Mr. and Mrs. O. A. Holte and family have moved from College Place, Washington, and are now located at Coeur D'Alene, Idaho, where he is in the creamery business. We are told that it is a city of 8000 and the most beautiful place in the world. If we ever travel westward we shall try to include this place on our trip.
