

A Jessie Community club was organized on Wednesday of last week. The organization took place at the school house and a large number of people took part in the poppy meeting. Ralph Manning called the meeting to order and Clarence Dahl was elected temporary chairman. With the help of Mr. Egerman as secretary, the proceedings were very ably carried to a close. The result of the evening's work gave us an organization which is to meet every two weeks at the M. W. A. hall at 7:30 on Saturday evenings. At each meeting the different members will present a literary program. The plan is to spend the remaining part of the evening in a good old social way, and serving a lunch at midnight. The first meeting will be held Saturday, December 2. A good program will be given, and we hope to make the evening real worth while. Everyone is most cordially invited, and nothing would please the members more than to have a large crowd at the first meeting, for if you come then you'll be sure to come to the others. This is strictly a community affair and free to all who wish to come. Anyone wishing to take part in anyway is urged and welcome to do so. The only expense is a small membership fee to cover rent of the hall. Let's all pull together and make this a never-to-be-forgotten event. What say?
