

e arms, legs, income.

Albert Bolkan and Frank Josephson were here from Cooperstown, Tuesday. Mr. Josephson, it will be remembered, is the young fellow who sustained very serious injury in an auto accident near Cooperstown a few months ago. He was taken to a Fargo hospital and for some time he was not expected to live. He was permitted to leave the hospital about a week ago, and although he lost considerable in weight, is on the road to complete recovery, and will leave next week for his home in Chicago.

Here is the way the papers will
