
FIRE DESTROYS POOL

HALL AT KARNAK

Hannaford Enterprise: The Karnak Hall was completely destroyed by fire last Sunday evening, the fire starting about 9:30. Frank Blonigan, who has rented the building from Chas. Ross, the owner, was at the depot at the time the fire started. The gas light was burning and it is thought that it flamed up, and the fire reached the gas tank which exploded, the noise of the explosion being the first thing that attracted attention to the fire. Before anything could be done to check it, the fire had gained such headway that it was impossible even to save any of the contents of the building.

The building was fully covered by insurance.
