Pekin Budget: Otto Knapp, of Grand Forks, formerly of this city, was an over-Sunday visitor at Pekin with Mr. and Mrs. John Danielson. Mr. Knapp was city police of Grand Forks for the past year, but we all know Mr. Knapp, and lately the City of Grand Forks has become so docile and tame, owing to Mr. Knapp's severity as police, that the police force has been found superfluous and Mr. Knapp was laid off. He is now traveling for the state selling the State flour, and we know he will keep the state mill pretty busy.
