

Hillard R. Langlie, son of Mrs. R. Langlie, of Alexandria, and instructor in violin at St. Olaf college, at Northfield, was one of the soloists on the first program broadcasted by WCAL, the radio transmitting station conducted by the physics department of that institution. This event took place last Friday evening. Mr. Langlie appeared twice on the program. His first group consisted of the Larghetto in B Minor,

and Indian Lament by Dvorak-Kriesler. He ended the program with Prelude de Deluge, by Saint-Saens. Reports on the concert indicate that it was heard over a wide territory and that it was very successful. Mr. Langlie is to go on tour this summer with the Manitou Concert company, an organization of St. Olaf students.—Alexandria (Minn.) Citizen-News.
