

will make a strong candidate.

F. G. Lewis went to McHenry, Tuesday and from there to the Hein-son farm where he cried an auc-tion sale. The Citizen's State Bank of Sutton had engaged Mr. Lewis to cry the auction sale of the Pete Boisjolie property last Wed-nesday, and from all reports it was a success way beyond expectation. A large number of people attended and the bidding was very spirited, in fact, reminding one of sales held a few years ago when no mo-ney stringency was evident.
