

will be given after the show.

Hope Pioneer: Last week a deal was closed whereby Mr. and Mrs. P. A. Lindgren leased the L. N. Wood residence and will furnish it for hotel purposes. It is expected that the new hotel will be ready for business and formal opening held on May 10th. Mr. and Mrs. Lindgren need no introduction to the people of the community or the traveling public as they are well and favorably known in this line of work.
