READ WHAT THE BIG THEATRES IN THE CITIES
SAY ABOUT THIS FINE PICTURE

MINNEAPOLIS

Blue Mouse Theatre—"In a background of mountains and with mounted police and dog-sleds, six popular stars appear in the exciting scenes of "I AM THE LAW." It is one of the best bills we have ever booked."

ST. PAUL

New Astor—"A story that is well done to the last. Notable cast. Excellent photography, beautifully tinted."

LOS ANGELES

California Theatre—"I AM THE LAW" coupled with one of the most melodic musical programs in many moons, makes the California Theatre decidedly the one worth while."

ATLANTA, GA.

Howard Theatre—"I AM THE LAW,' one of the best pictures of its kind. All the vivid action and scenic wonders of a popular writer is preserved in the scenario."

PITTSBURG

State Theatre—"I AM THE LAW,' red blooded action in an environment where primitive instincts sway primitive men and women. When stars of the caliber of Rosemary Theby, Alice Lake, Wallace and Noah Berry, Keneth Harlan and Gaston Glass are found in the same company, it means that the best acting talent possible has been secured."

Christy's Orchestra will play the musical score for **I Am the Law**
