Several Binford people attended the Ford Day celebration held at McVille last Friday. The weather being nice and the roads good, hundreds of people from miles around were able to attend. Two base ball games were played, the first one, between Pekin and Northwood, resulting in a victory for Pekin, 2 to 0; in the second game Lakota was victor over Pekin by the same score, 2 to 0. In the evening Eward's orchestra from Grand Forks furnished splendid music for the big bowery dance. The drawing for prizes took place at midnight. The Ford car was won by a Mr. Carlson of Lawton; the radio set went to a party at Sharon, and the third prize to a McVille lady.
