

Your Last Hope

Mr. Farmer you are going broke raising wheat at a loss. The North Dakota Wheat Growers Association has been established to get a price over cost of production. We are getting there fast. Twelve thousand farmers in this state have quit cutting each other's throats—are co-operating instead of competing with each other. Two thousand new members are coming in every month. How about you?

With your help we can get control in a short time. It's get in or get under. Sign up or bust up. Your family and home are at stake!

Write for contract and information.
