

year.

The play "Til Saeters," was presented in Binford last Friday evening by Finley talent, under the auspices of the Sops of Norway lodge. The attendance was not as large as expected owing to the stormy weather that prevailed, preventing the people in the country from getting in. The production was very ably given by a well selected cast. The makeup and costumes of the players, and the scenery, which was especially prepared for the occasion added much to the success of the play and the enjoyment of the evening. The singing parts were exceptionally good. A one-act farce put on before the real show was heartily applauded. A dance was given after the conclusion of the entertainment, music being furnished by O. K. Krogfoss, P. A. Overby and A. W. Peterson in true "old country" style.
