

Sentinel-Courier Sheriff Emil Nelson on Friday arrested and brot to Cooperstown Palmer Peterson, a resident of the Mose neighborhood. Peterson was caught with a still and considerable alcohol in his possession. On Saturday he appeared before Justice Nels P. Nelson, who set his case for the November term of District Court and fixed his bond at \$300, which he has not yet furnished. Peterson is a "visitor" at the county jail until such time as bond can be furnished.
