

## LODGES PICNIC AT LAKE

Aneta Panorama: Last Sunday the Eastern Star and Mason lodges held a picnic at Red Willow lake. Besides the members of the two lodges were the families and near friends. About 150 people gathered on the lots owned by N. O. Haugen, of McVille, and spent the day in a very pleasant manner.

About 2 o'clock the ladies served a delicious dinner which was enjoyed by all. The beautiful weather and the attractive location made it an ideal place to spend the day. Due to the picnic taking place on Sunday the day was spent in a quiet social way. Bathing, boating and fishing was part of the program.

People from Pekin, McVille, Aneta, Sharon, and Finley were present. All report a good time and the day will long be remembered.

Special mention is due Mr. and Mrs. N. O. Haugen, of McVille, for the splendid manner in which they entertained the crowd. The two lots and the building in which the ladies prepared the meals made it very convenient for the gathering. Mr. Haugen believes in having a good time, and wants others to share with the pleasure. All who attended the picnic feel he had a large part in making the day a success.

The two committees with the lodges did splendid work and deserve much credit for the successful event. The committee from the Star Lodge was Mrs. M. A. Gunderson, Mrs. Oscar Otterson and Mrs. A. P. Knutson. Loyalty Lodge was represented by L. W. Adams, Oscar Otterson and John Gronley.
