

The 4th of July celebration at Red Willow lake attracted a tremendous crowd, and judging from expressions everyone seemed more than pleased. The base ball games were especially interesting. McHenry winning from Binford in a ten-inning contest, 5-3, and Hannaford and Cooperstown battled for eleven innings before the final deciding runs were scored, Hannaford winning 9-6. The McHenry band furnished excellent music throughout the day. The dance proved one of the big features and continued from early afternoon until early morning, marred only by the rain which lasted for about a half hour.
