

Base Ball Will be Attraction at Lake Sunday

Baseball will be a main attraction at Red Willow lake next Sunday afternoon.

Milo Kingsley is gathering together a bunch of players from the Sutton team and strengthening the weak spots. This crew will go up against a team of players from Binford, McHenry and Cooperstown, probably the same line-up that represented the G. & F. League. Kingsley will likely do the twirling for his outfit. Just who will draw the selection for the other team is not certain but it will probably be Spooner or Wickham.
