

Posters are out announcing the Masonic picnic to be held at Red Willow lake next Sunday, July 8th. The committee in charge has prepared a fine program for the day consisting of speeches, songs and lots of band music. Prof. Arvold, of Fargo, has consented to deliver an address. He is an able and fluent speaker and worth going many miles to hear. The Aneta band will be on hand to help entertain the crowd with their splendid music. The lodges of Finley, Hope and Coopers-town will present two numbers each, and last but not least, the El Zagal Chanters have promised to come up from Fargo to take part in the program with several selections. The Masonic picnic given last year was a good one, but indications are that this one will be even better, if the weather is favorable. A large attendance is expected.
