# Laying Plans for Fourth of July

---

The amusement committee of the Red Willow Lake Park association has commenced making plans for the monster celebration to be held at Red Willow lake on July 4th.

They propose to introduce some novel attractions in the way of water sports that are sure to "take well." The base ball park is being worked on this week and will be in good condition in a few days. Some good ball games will be a part of the day's features. A big bowery dance is another popular attraction.

The committee means to make this celebration the largest and most successful ever held in this section of North Dakota. Let this event settle the question of where to spend the 4th—there's no better place in the world.
