

Miss Susie Shaw, one of the Binford students at the University, won the signal honor of being chosen as one of the rifle squad of University girls. From a class of 44 girls 22 were selected, and from this number a squad of six were chosen to represent the University in competition with universities of other states in shooting tournaments. In one practice, Miss Shaw hit the bull's eye for a perfect score out of four trials. Susie's many Binford friends are pleased to learn of the distinction won by her.
