

ed for their homes.

A pleasant farewell reception and dance in the nature of a surprise was given in the opera house last Saturday evening in honor of Miss Stella Soli, who will leave on Friday for her home at River Falls, Wisconsin.

The hall was filled with admiring friends of Miss Soli who had come to show their esteem and friendship. F. G. Lewis, in behalf of the gathering, presented the honored guest with a set of silverware as a remembrance of her stay in Binford. Miss Soli has resigned her position as saleslady for Buchheit-Bakken Co., after several years faithful service, and intends to spend her time at her home. The well wishes of the people of this community go with her.
