

od."

Sentinel-Courier: Mr. and Mrs. Ade Thompson are this week packing their household goods preparatory to moving to South St. Paul, where they intend to establish their future home. Mr. Thompson's health is not such that he intends to take up the practice of law yet, but they will make their home there until he has more completely recovered. Griggs county friends of the family will exceedingly regret their leaving Cooperstown, but they will take with them the earnest wishes for their health and happiness in their new home.

Mr. and Mrs. C. E. Peterson
