

We are very glad to announce that the stork has found a few more boys for the fond parents of this vicinity. All were girls for a long time until it looked as tho there were no more boys in the market. but the situation was materially changed when a fine boy was born to Mr. and Mrs Robert Thorn of Jessie on Wednesday January 17. Then, on Saturday the 20th Mr. and Mrs. C. A. Cross became the happy parents of a boy. All parties are doing nicely and they are to be congratulated on having such a lucky streak. Of course, girls are all right but it is nice to have a boy thrown in occasionally.
