

BINFORD INCORPORATES

Vote Results 34 to 1 In Favor Of. Many Failed to Attend, But Were Pleased With Results

At the election held Monday in Binford to decide the question of incorporating the town, there were thirty-five votes cast, thirty-four being in favor of incorporation.

This is a very important step and has been discussed extensively for a long time, but nothing definite was ever decided upon until the Commercial Club took up the matter and set to work to bring the question before the people. As a result of the efforts of the club in that direction the citizens were granted the right to hold an election to determine the wishes of the people with regard to this important question, and the result of it is as above stated. We are now in a position to handle ourselves to a better advantage and the town will prosper more rapidly under this condition of affairs than under the former. The tract included within the incorporated village comprises the South-west quarter of Sec. 8 and the North sixty acres of the North-west quarter of Sec. 17, 220 acres in all. Citizens of the Village of Binford keep your shoulders to the great wheel of progress, consider what you have done during your short time in our little town, and with this constantly before your minds labor on unceasingly for the still further betterment of Binford in every way possible.
