

but that he will be found to be

The service conducted by Mr. J. B. Clapp of Fargo last Sunday was a very interesting one and one that should have been attended by every one in town. Mr. Clapp organized a Sabbath School which bids fair to become a success and it is our hope that our good people will take an active interest in the work that it may prove a grand success. Our town is rapidly forging to the front in all other lines and it is now time that a successful effort was being launched in matters pertaining to other than worldly affairs. Let us not lose sight of the Higher power which we must all sooner or later recognize as the greatest of all.
