

Carl E. Tallmadge, assistant cashier of the First State Bank for so many months, departed Monday for Cooperstown to accept a position as cashier of the Cooperstown State Bank. He is succeeded here by Victor Pike, recently of the State Bank at Cooperstown, who arrived on Monday to begin his duties as bookkeeper. Carl is a very worthy young man and has made scores of friends in Binford who regret his departure, but since it must be they are glad that he is being advanced in his position and wish him success. Mr. Pike is a jolly good fellow and is not a stranger to all of Binford, for he has had many acquaintances here during his connection with the Cooperstown post-office and with the state bank at that place. He is a fine striped young man and will bear well with all who become acquainted with him. We extend the glad hand to him and wish him unbounded success in his work here.
