

ter to be considered.

W. Wallace of Hannaford was in town Monday on business. If all goes favorably, Mr. Wallace will secure employment here and then he will move his family to Bisford and remain here for some time to come. This is good news to our fans for Mr. Wallace is a good ball player and that is what counts in a lively town like Bisford. Mr. and Mrs. Wallace are very nice people and we hope they will conclude to come to our town and live.
