

On Thursday morning Dec. 5, 1907, occurred the death of Gabriel Gabrielson, aged sixty-two years. Mr. Gabrielson had for some years been a sufferer of consumption, about a year ago he went to the hospital at Valley City for relief, but nothing could be done for him, and later he went to the hospital at Northwood, they were unable to restore his health and he gradually grew weaker until Thursday morning when he passed away. Mr. Gabrielson was one of the pioneers of Griggs county, coming from Minnesota here about twenty-one years ago, making it his home from that time until his death. He was a devoted christian, and highly respected by everybody who knew him. He leaves a wife, two sons and four daughters to mourn the loss of a loving husband and father. The Times join their many friends who extend their heartfelt sympathy during their hours of sorrow.
