
Suicide

It is with regret we learn of the death of Wablon Wheeler in Glenwood, Minn. He was well known here in Binford, having been employed in the Crane-Johnson lumber yard one summer, and made many friends here. He was found dead in the elevator of J. W. Funt with bullet hole in his head. In a fit of despondency he done the deed, killing himself instantly. He was 45 years old and leaves a wife and three sons, Perry, Dana and Rolla and one married daughter in Heming, besides two brothers in Devils Lake, and a sister, Mrs. B. Forde, also a niece Mrs. August Evers of Binford. We extend our sympathy to the sorrowing friends and family.
