

COMMITTEE IS HARD AT IT

Work of Soliciting Funds for the 4th is Nearly Completed— Committees Appointed.

If present plans materialize, and we can see no reason why they shouldn't—Binford will have the biggest celebration on the 4th that any town in this section ever had.

Another meeting was held Monday evening and the committee appointed last week to solicit funds and ascertain the sentiment of the people, reported that they had met with gratifying success and that practically enough money had already been pledged—with a few more yet to collect from.

Several more committees were appointed and from now on they will be busy as bees, so when the 4th arrives there will be nothing left undone that would tend to mar the success of the day.

That the fourth here this year will far surpass anything heretofore attempted is the prophecy of those having the celebration in charge. None of the neighboring towns, except Hannaford, are planning on anything for that day, so it is safe to say that we can look for a good crowd.

An effort is being made to get some prominent man to deliver the address of the day but at this time we can make no definite statement as to whom it will be.

Tell your friends and plan to spend the day in Binford—the good water town.
