

## BASE BALL MEETING.

---

### Treasurer's Books Show a Large Deficit to be Made Up.

Members and officers of the ball team, with some fans, met at the opera house last Friday evening and went over the business of last season.

The report of Treas. Greenland showed that there is a deficit of something over \$250. Considerable of this has been paid personally by Mr. Greenland. A committee of two, Aug. Evers and A. J. Melgard, were appointed to solicit funds to refund the money to Mr. Greenland and also to meet outstanding bills.

Martin Rood, M. Norswing and C. E. Peterson were made a committee to arrange matters for a dance to be held in the near future.

Another meeting will be held tomorrow evening, when the reports of the committees will be heard. It is probable that some arrangements will be made to have a team in the field next summer. A good attendance is requested.
