

It has been ordered by the postoffice department that I get either oral or writing, the names of all who will promise to buy boxes and place them on section lines according to instructions from the department, The proposed routes routes are S. W. No 1 and S. E. No 2. It requires so many on each route before it will be established. You will all please drop me a card or call when in town. The sooner I get this information the sooner the department will get to work.
